

WINTER SPORTS

It is with great pride that we are expanding our winter sports activities sector on the golf side in collaboration with the municipality of Potton, starting this Saturday at 10:00 am.

For several months, we have been working on this project to offer you cross-country skiing, fat biking and snowshoeing on marked and marked trails. The trails will be accessible to all and will be groomed regularly to offer a quality product.

We put a lot of energy into this project and are proud of the result!

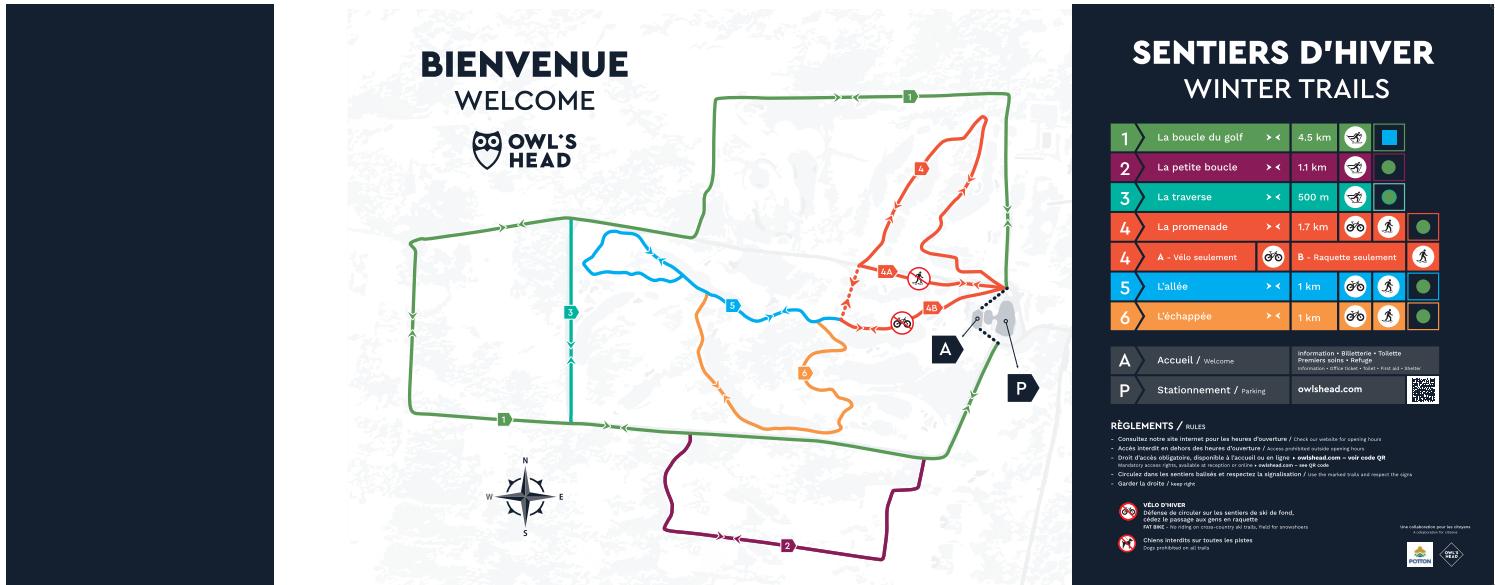

Grooming the trails, opening a space in the store, opening the parking lot and having a resource person on site from Thursday to Sunday requires us to charge for the use of the trails.
